

January 19, 2024- [Geethanjali Radhakrishnan](#), CEO and Founder Adiuvo Diagnostics Private Limited, has been honored with the prestigious "Smt. Chandaben Mohanbhai Patel Industrial Research Award for Women Scientists" at the VASVIK's 50th Annual Awards!

We are thrilled to announce that [Geethanjali Radhakrishnan](#), our CEO and Founder, has been honored with the prestigious "Smt. Chandaben Mohanbhai Patel Industrial Research Award for Women Scientists" at the VASVIK's 50th Annual Awards!

This remarkable achievement was recognized at the 50th Annual Industrial Research Awards by Vividhlaxi Audyogik Samshodhan Vikas Kendra (VASVIK Awards) on January 19, 2024, at B. J. Hall, Vile Parle (West), Mumbai. The event, graced by eminent scientist Dr. R. A. Mashelkar as the Chief Guest, marked a historic milestone in celebrating exceptional contributions to applied research.

The Team at [Adiuvo Diagnostics Pvt. Ltd.](#) envisions a future where advanced diagnostics are accessible to all, especially underserved populations at the bottom of the pyramid. By prioritizing non-invasive detection methods and leveraging their expertise in optoelectronics and AI, they are working towards creating portable, user-friendly diagnostic tools that deliver accurate results rapidly, even in resource-limited settings.
