

Matri by Silifarm Technologies Pvt. Ltd wins a great deal at Shark Tank India!

Matri is a clinically and scientifically proven innovation by [Silifarm Technologies Pvt Ltd](#) , a company founded by Roni Mondal and Rohan Roy in 2020.

Matri is a portable, wearable, and rechargeable electronic device that helps women switch off their menstrual pain. It is based on TENS (Transcutaneous Electrical Nerve Stimulation) therapy, which uses low-voltage electrical pulses to block pain signals from reaching the brain.

The product, entrepreneurs, mission, everything was on point, so Sharks had no option but to give them a good deal.

Congratulations to the team for this game-changing product that can empower millions of women who suffer from menstrual pain every month!
