

Congratulations to Denovo Bioinnovation on Winning Best Startup Award at Global Bio India 2024!

We are proud to congratulate Denovo Bioinnovation, a pioneering healthcare startup, on receiving the Best Startup Award in the Drugs and Devices category at the Global Bio India 2024. This accolade highlights their outstanding contributions to the biotech industry, where they are rapidly making a name for themselves through innovation and cutting-edge solutions.

Denovo Bioinnovation, under the visionary leadership of Nikhil Mamoria, is dedicated to developing advanced healthcare solutions that address critical unmet needs. With a focus on medical devices, Denovo is pushing the boundaries of what is possible in the biotech sector. Their work aims to improve patient outcomes and make healthcare more accessible and efficient.

This award is a testament to the hard work and dedication of the entire team at Denovo Bioinnovation, and we are proud to support them as one of our BIG grantees. We look forward to seeing their continued success as they lead the way in advancing healthcare technology.

We congratulate the entire team at Denovo Bioinnovation for this well-deserved achievement and wish them continued success in their journey to revolutionize healthcare!
