

Sensivision Wins Best Innovator in Medical Device Award at Global Bio India 2024!

We are thrilled to congratulate *Sensivision* for receiving the prestigious *BIRAC Innovator award in Biomedical Devices* at Global Bio India 2024. This recognition highlights their exceptional contributions to medical technology and their innovative approach to improving healthcare.

The team at *Sensivision* has continuously pushed the boundaries of what's possible in medical devices, and this award is a testament to their commitment to enhancing patient care and outcomes. Their cutting-edge innovations are setting new benchmarks in the industry, and we are excited to see what the future holds for them.

Congratulations to *Sensivision* on this remarkable achievement! We look forward to witnessing your continued success and innovation.
