*Congratulations*

**DENOVO**  
Innovating Healthcare Stitch by Stitch!

Denovo Bioinnovations has inaugurated its new 3,800 sq. ft. facility.

Denovo takes a significant step forward in transforming surgical care in India with its new facility designed for in-house R&D, advanced prototyping, precision assembly and limited-scale manufacturing of medical devices. This milestone strengthens Denovo's commitment towards transforming surgical care in India.

Congratulations to Dr. Nikhil Mamoria and the Denovo team on this significant milestone!
