Congratulations

Endimension Technology has been honored at the IndiaAI Innovation Challenge, hosted by the Ministry of Electronics and Information Technology (MeitY).

Selected from over 900 AI startups, Endimension has been awarded ₹25 lakh by Hon'ble Union Minister for Electronics & IT, Shri Ashwini Vaishnaw, in New Delhi. The company is now integrating its AI-driven healthcare solutions into the IndiaAI stack, paving the way for pilot projects and large-scale deployment.

Congratulations to the team for this well-deserved recognition!
