

Kidaura's ScreenPlay Wins IndiaAI Innovation Challenge!

<http://www.big.venturecenter.co.in/kidaura-innovations-pvt-ltd/>

Kidaura has been recognized as one of the 30 winners out of 900 applications in the prestigious IndiaAI Innovation Challenge!

ScreenPlay, Kidaura's digital game-based, language-independent tool for screening autism and related developmental conditions, received this honor at a felicitation ceremony by Shri Ashwini Vaishnaw, Minister of Information and Broadcasting. Congratulations to the Kidaura team on this well-deserved recognition!
